

ONLINE MATCHING SYSTEM

Dear Everyone,

Among all the various activities that have happened in the past two and half months, one took priority for me over the others. My husband and I moved back to our original home state of Delaware. We had been in Kona, Hawaii for over eight years. We truly appreciate the time we spent in that island paradise and the many experiences that we had that helped us grow spiritually and which helped make us wiser.

The Online Matching System, being an internet-based activity, was not affected much by the move, except that once in a while during our trip across the USA we did not have as good of an internet connection as we might have wanted. The only thing I would like to let people know about is that I am now in a different time zone (U.S. Eastern Time) and that may affect when you can reach me by phone or by Skype.

Due to the blessing In March, many activities were generated in OMS. New people registered. The search for potential spouses by candidates and advisors increased as well. Recommendations for OMS and the resultant improvements are ongoing.

I am pleased to announce that there is a steady increase of registered applicants in OMS from South America. I am grateful that the use of OMS is expanding beyond the USA. Our True Father has promoted international and interracial marriages all along as a formula to break down all the barriers so as to hasten the building of a peaceful, ideal world.

It is my sincerest hope that OMS serves our Unificationist community. We seek to do this by providing a platform enabling great men and women - who are willing to go beyond every aspect of ethnic, national and racial barriers – to advance the ultimate dream of God’s desired peaceful world, Cheon Il Guk.

May God bless you all, with all my heart,

Anne-Marie Mylar .
